The word 'News' is written in a large, bold, black serif font. It is centered on a background that features a faint, light blue illustration of a hand holding a pen, poised to write on a document with horizontal lines.

Anyone interested in a challenging career, with job security and excellent pay, needs to explore the lucrative postal service job market. The average annual salary for all employees, including benefits, equals \$36.89 an hour or \$77,000 a year. Executives, professional and administrative employees earn from \$25,619 to \$129,792 per year.

The postal service uses the 473 Major Entry-Level Jobs Exam to screen the majority of applicants on job-related characteristics and it permits applicants to compete for job vacancies. A comprehensive study guide along with helpful test-taking strategies to improve test scores is included in the all new 7th edition of *Post Office Jobs: The Ultimate 473 Postal Exam Study Guide and Job Finder* by Dennis V. Damp.

Those considering a job with the postal service will find Damp's book filled with useful and up-to-date information. This is the only postal service career guide that includes viable related civil service job options, provides online updates at www.postalwork.net, prepares the reader for interviews, and covers ALL occupations from professional and administrative to mail carrier, maintenance, tractor trailer drivers, and clerical.

The revised 7th edition of *Post Office Jobs* includes a comprehensive 473 study guide and job finder. Postal service application guidance is provided along with contact information for their 67 district offices, Internet connections, pay scales, interview preparation, job descriptions, and much more. This revised edition also includes chapters on postal inspector jobs and civil service related occupations plus an appendix on how to find lucrative corporate jobs with the postal service that don't require entrance exams. Assisting Damp was editor Nancy Ledgerwood, a retired career postal service specialist, who provided an insider's perspective on the postal service's eCareer recruiting system.

In today's uncertain times, seek out secure and high paying post office jobs and related civil service opportunities with this indispensable book.

"This popular book has been expanded and updated...Over a third of this book is devoted to testing, with realistic sample exams as well as tips and answer keys. Perusable and thorough...Recommended."
